Academic Accommodations for Students with Disabilities

Graduate students who need accommodations for a disability in order to fully participate in University classes and programs should contact the Disability Services Program (http://www.du.edu/disability/dsp) (DSP). This contact should be made as far in advance as possible. DSP will work collaboratively with students, graduate department faculty and other University personnel to facilitate appropriate, individualized accommodations. Documentation of disability is required.

Examples of documentation may include, but are not limited to, medical reports, psycho-educational reports (for students with learning disabilities) and/or verification of psychological disabilities. Documentation is used to assist with the determination of appropriate accommodations and is kept private.

The Handbook for Students with Disabilities (policies and procedures) is available on the Disability Services Program (http://www.du.edu/studentlife/disability/dsp) website in the Quick Links section on the right hand side of the page or by calling the office at 303-871-2278. Documentation guidelines along with information about DSP and other resources can also be found on the website. DSP is located on the 4th floor of Ruffatto Hall (Morgridge College of Education; corner of Evans and High streets).
