

HONOR CODE

All members of the University of Denver are expected to uphold the values of integrity, respect and responsibility. These values embody the Honor Code for students, faculty, staff and administrators as members of the University community. Our values are defined in the following ways:

- *Integrity*: acting in an honest and ethical manner;
- *Respect*: honoring differences in people, ideas and opinions;
- *Responsibility*: accepting ownership for one's own conduct.

The complete text of the Honor Code and Honor Code violation procedures relating to students is maintained by Student Rights & Responsibilities (<http://www.du.edu/studentlife/studentconduct/>).

Note: *Some units may have additional or more stringent ethical guidelines. Students should contact the department for details.*
