STUDENT RESPONSIBILITY FOR REGISTRATION PROCEDURES

Students must register by the appropriate deadlines for all courses they wish to attend.

Students may register for courses through PioneerWeb (https://PioneerWeb.du.edu), in the registration office located in the Office of the Registrar (http://www.du.edu/registrar), or as designated by the college or school the student is attending. Courses requiring special permissions or forms, such as independent study, restricted enrollment, those with unmet prerequisites, or those resulting in a credit-hour overload may require students to register in the Office of the Registrar. Students are expected to check with academic advisors and/or the program requirements in the academic bulletin to identify prerequisites and course restrictions prior to attempting to register for courses.

After priority registration, students may drop or add courses without approval or penalty (except for the late registration fee) through the first seven days of a quarter (summer session excluded) through PioneerWeb (https://PioneerWeb.du.edu) or during regular office hours in the registration office. All students in the following categories who do not register before the first day of the quarter are assessed a late registration service charge: continuing students, new students, students returning from leave of absence and readmitted students. The late registration service charge cannot be waived. Registrations are not processed after the designated registration period of the quarter.

Students may drop or add courses without approval or penalty (except for the late registration fee) through the first seven days of a quarter (summer session excluded) through PioneerWeb (https://PioneerWeb.du.edu) or during regular office hours in the registration office.
