

OFFICE OF ACADEMIC ADVISING

Vision

The Office of Academic Advising uses innovative practices to empower students to be experts in their academic, professional, and life journeys.

Mission

The Office of Academic Advising supports undergraduate student success and persistence to graduation.

We **DU** this by:

Cultivating proactive advising relationships based on trust and equity

Coaching students to identify their own academic motivations, self-awareness, and areas for growth

Clarifying university policies to support students, faculty, and staff in navigating degree progress

Collaborating with campus partners to create a network of resources

Academic Advising is located in the Community Commons, Suite 3100. For more information, call 303-871-7001, email advising@du.edu or visit the website (<http://www.du.edu/studentlife/advising/>).
