Financial Aid

In Financial Aid, we help students and their families finance a DU education. From applying for aid to managing unmet cost, we'll provide you with guidance, resources, and advice at every step along the way. All undergraduate students receive some sort of financial assistance from the University in the form of merit scholarships, talent scholarships, need-based grants, long-term loans, and/or part-time employment. Financial aid is provided by the University, the State of Colorado, the federal government, and University supporters. All students who wish to apply for need-based aid, including scholarships, should submit the Free Application for Federal Student Aid (<https://studentaid.gov/h/apply-for-aid/fafsa/>) (FAFSA) for consideration of federal and state financial aid and the CSS Profile (<https://cssprofile.collegeboard.org/>) for consideration of institutional aid. For a current student to be given priority consideration for all available funds, **the FAFSA and CSS Profile should be submitted according to the priority deadlines (<https://www.du.edu/admission-aid/financial-aid-scholarships/undergraduate-financial-aid/application-process/>) detailed on the financial aid website (<https://www.du.edu/admission-aid/financial-aid-scholarships/undergraduate-financial-aid/application-process/>)**. Additional documents may be requested for students who are selected for federal verification or who have conflicting information between the FAFSA and CSS Profile.
