

TRADITIONAL BACHELOR'S PROGRAM

Build the Foundation for Your Future

Open the door to a world of possibilities. As an undergraduate student at DU, you'll get a multidisciplinary education that's rooted in a clear commitment to taking on the great issues of our time.

Enriched by distinctive learning experiences that extend from the classroom to the field, laboratory, community and professional world, your time here will be informed by diverse perspectives that deepen your understanding of the global culture. In the end, you'll be uniquely prepared to confront the challenges and opportunities ahead.

Innovative Degree Programs

Select from more than 60 undergraduate majors, including both traditional and progressive offerings. We also offer compelling dual degree programs that span a variety of disciplines, including business, education, social work, art history, geographic information science, international studies, public policy, engineering and law.
